

To All WCF & W Members,

Weld County Fish & Wildlife Shooting range has set up a competition shooting fund to provide financial assistance for necessary expenses for local, State or National shooting events in Archery, Black Powder, Pistol, Rifle and Shotgun disciplines.

To be eligible you must be a member or your patents must be members. Individuals will be allowed one annual award. You must apply every year. Funds are intended to be used per you request.

Here is how it will work. We will pay entry fees; we will buy the ammunition; we will provide you with what you need. You will want to be sure to have your application submitted in time to get the funds for your deadline.

If you receive an annual award, it would be great if you could provide us with pictures from your shooting event and we will put them on the website and on our new Competition Shooters Fund display board in the Club House.

Any donations for the competition shooting fund would be greatly appreciated.

Please fill out the WCF & W Competition Shooters Fund application and mail or email to:
